SUCCESS WITH A S.M.I.L.E

In order to be a SUCCESS in any area of life, one has to learn not to carry the negative portrayal that others pour onto them. You must learn how to take control of your thoughts, words and actions. You must learn how to S.M.I.L.E. Once you do, NO ONE will ever be able to puppeteer the strings of YOUR success again!

YEAH...I'M THAT "B"

It's a sad day when women are unable to see the value in their fellow sister; when instead of admiring another woman's beauty and accomplishments, the 1st words that come to mind are "that B..."!! Rather than HATING on another woman, I'll show you how to discover the "B" in YOU! No...not that "B...", but that B.O.S.S.

DANG, YOU T.H.I.R.S.T.Y

When are you going to get off that merry-go-round that you have been riding for so long; always moving, yet going NO WHERE?? In order to live to your greatest potential and become a woman of influence, you have to WANT it, you have to CRAVE it...you have to be T.H.I.R.S.T.Y. Are you ready to quench your thirst?!
